TRANSITION COMMITTEE

February 23, 2018

Dear Friends,

This past week, we were pleased to welcome our incoming freshmen and their parents for course scheduling nights. Each student and her parent(s) met with her counselor to schedule classes for next year. Principal Connie Kampschmidt and Assistant Principals Heather Wagner and Michelle Hinton also were present. Families also had a chance to see the new uniform shirts and the uniform sweatshirt.

Now that registration is complete, we're excited to update you on our enrollment numbers. In the current 2017-18 school year, McAuley and Mother of Mercy have a combined enrollment of 859 students. We're thrilled to report that **95 percent of the current freshmen, sophomores and juniors from both schools have registered to attend Mercy McAuley next year.** We continue to receive more registrations from returning students and incoming freshmen each day. Our total enrollment for next year currently stands at 728 students.

Several weeks ago, we announced the head varsity coaches for four of the five fall sports. Today, we're happy to announce that Mike Rust has accepted the position of head varsity soccer coach. Mike coached at both Mother of Mercy and McAuley before family commitments called him to the sidelines. He's happy and eager to return, and we welcome him to the Mercy McAuley athletic program.

We also would like to take this opportunity to thank the hundreds of people who attended Mother of Mercy's gala last weekend. The generosity, enthusiasm and energy of the crowd was incredible, and we're grateful for the continued support of Mother of Mercy and McAuley high schools throughout this transition. We look forward to McAuley's big fundraising event—McAuction—which is coming up on Saturday, March 24.

Thank you for your continued interest in Mercy McAuley, and for your support of Mother of Mercy and McAuley high schools.

In Mercy,

Tom Otten, chair
Cindy Costello
Denise Krueger
Wayne Morse
Kathy Schnier
